Our esteemed panel of local and international speakers will explore topics on

- Protecting and empowering youth for a disaster-free future**
- Managing current and future risks and uncertainties in a rapidly changing climate and global context**
- Prioritising gender equality, accessibility and inclusion to leave no one behind**

The Annual DRR Conference of the Institute is a highlight on the Disaster Management calendar and before Covid-19 routinely attracted more than 300 delegates. The Institute is recognized as the mouthpiece of the Disaster Management profession in Southern Africa and is now rebuilding this annual in-person learning and networking opportunity. Proudly presented by the Disaster Management Institute of Southern Africa (DMISA) in partnership with the City of Cape Town and supported by the South African National Disaster
